SIZES: M-2XL

SCOTTISH WINDS HYBRIDS - The 100% nylon satin liner inside the sweater provides a break from the wind for outdoor wear, as well as acting as a moderator to keep you cooler during warmer occasions. This sweater is suited for all day wear while keeping you comfortable.  
- The outer shell is made of a 60/40 blend of imported cotton and acrylic, and is fully machine washable. Upscale in look, and unlike wool and pure cotton, will not loose its shape when laundered. This rich "cotton hand" blend resists wrinkles, making it a fabulous companion for travel.  
- Our fresh, classic styling, and superior comfort allows this sweater to be worn just about anywhere, and will easily become your "go to" for just about any occasion. Whether you wear it to play golf, for a night out, or in a corporate environment... you'll always be fashion right and comfortable!  
- Scottish Winds Hybrids are generously cut to allow for movement and layering.

Not only is Byron Nelson a legend in our golfing world but in the world in general. Byron Nelson positively influenced all that he came in contact with, leading by example. In June of 2007, Mr. Nelson was posthumously awarded the Congressional Gold Medal, the 132nd ever awarded and the first to a golfer. Inscribed on the face of the medal are Player, Teacher, Humanitarian. What a wonderful way to commemorate a career and a life time as a citizen on our planet.
